

The Minnesota Department of Health is investigating exposures to synthetic drugs. We ask you to ask patients:

- **Are you now or have you recently used synthetic drugs (such as synthetic marijuana, bath salts, or other substances)?**
 - **What have you used (ask for brand name)?**
 - **How did you use it; and where did you get it?**

Some cases have been associated with bleeding, product may have been contaminated with an anti-coagulant.

Exposure to Synthetics?
Please call Poison Center
to report every suspect case in Minnesota: **1-800-222-1222**
